SECTIONAL JEALOUSY.

The Regina *Standard* in its issue of June 12th, hastens to the defence of the parties to whom THE TIMES alluded some weeks ago as having misrepresented this district to Dakota delegates and others. The attempt, however, is so exceedingly lame and weak as to be scarce worthy of notice, and the only word in reply that we deem necessary is to again emphatically repeat that every charge made by us to the mean and unscrupulous conduct of certain parties in Regina in respect to our district is correct, and true in every particular, and could have been thoroughly proven to the editor of the *Standard*, had his "diligent enquiry" been as diligent as he would lead us to believe it was.

With the sentiments expressed in the quotation from our contemporary's initial number THE TIMES is and always has been, in hearty accord, expression being given to them in these columns years before the Regina *Standard* had existence, and a lecture upon what this or any other journal shall or shall not say, is singularly out of place in the *Standard's* columns. Had the editor of the *Standard* enquired more diligently into the article referred to, he would have found that we said not a word as to the utterances of the Press or the public men of Assiniboia. We distinctly stated the reverse—that our quarrel was not with the press or the people of that district, but with certain residents of Regina who had misrepresented the resources of Saskatchewan in their efforts to deter people from visiting Prince Albert.

THE PREMIER OF CANADA.

In summoning Hon. John J. C. Abbott to be the new Premier of Canada His Excellency the Governor-General has chosen a man of the highest attainments and character, of long and tried experience in public affairs, and whose qualifications as a chief adviser will meet with the cordial approval of the country. As the new head to the Conservative Administration the selection of Hon.

Mr. Abbott will be enthusiastically ratified by the great Conservative party of Canada, who recognize in him a staunch Conservative leader, one who enjoyed the confidence and respect of our great and loved Chief-tain to a marked degree, and who combines the intellectual ability and training of the statesman with the genial tact, the kindly courtesy, the approachable friendliness that are such important adjuncts to the role of the successful party leader.

To Canada Mr. Abbott will give the devoted service of a shrewd and comprehensive mind trained to grasp and solve the most difficult constitutional and commercial problems of the day, and whose achievements have raised him to the highest eminence in his profession. To the Conservative party he will bring a record of hearty support of all the great measures that have given Conservatism the confidence of the country, a reputation brilliant and unsullied, and a disposition marked by the broadest liberality and tolerance. Under such a leader, the Conservative Government will continue to possess the confidence and regard of every province and interest in this Dominion, and to represent all that is best, most enlightened and progressive in the politics of the country.

Mr. Abbott is a native Canadian, and his long and useful life has been spent here. He was educated at a Canadian institution—McGill University—where his abilities secured the highest honors.

The new Premier thus enters upon the functions of his high office with the fairest augury of success and popular approval, and we are convinced that he and his colleagues will have the most loyal and devoted support of the Conservative party in carrying on the policy—in maintaining the principles—bequeathed to us all by the Great Statesman whom death has just removed.

COMMUNICATIONS.

FALSE REPORT.

To the Editor of the Times.

SIR,—I beg a small portion of your space in regard to a matter the public of this town are interested somewhat in. Last year I was secretary-treasurer of the committee having charge of sports here on Dominion Day, and a certain shell-fish individual has lately circulated a report that may deceive some of the innocent public. The report was to the effect that I misappropriated certain of the funds. I deny the soft impeachment, and if any person doubts me would refer them to Messrs. Coombs and Rankin who audited my accounts and vouchers which showed a considerable balance for this year's sports after all prizes were paid, which I can show receipts for. The report referred to is only another infantile fish story.

Yours,
GEO. C. MACLEOD.

The laying of the corner stone of the new Presbyterian church will take place on Wednesday next, 1st of July, at 11 o'clock in the forenoon. Rev. Dr. Robertson, of Winnipeg, has been asked to perform the ceremony.

The issue of the *Dominion Illustrated* for the 20th inst. will be devoted almost exclusively to an account, with full illustrations, of the event which is in all men's minds, the funeral of the dead premier, Sir John A. Macdonald. No such outburst of popular sorrow over the death of any man has ever been evoked in Canada, as that which pays tribute to the greatness of the deceased statesman. The *Dominion Illustrated* sent its own photographers and artist to Ottawa and Kingston, and the number to be issued on the 20th inst., will be a memorial worthy of the occasion, and one that throughout Canada will be preserved as a sad souvenir of the man whose death has left so great a void in the hearts of the people as well as in the public life of the country he has served so long and so devotedly.

GENERAL NEWS.

Ottawa, June 18.—Mr. Amyott moved the second reading of his bill to make voting compulsory and imposing a fine of fifty dollars and disfranchisement for five years on all who neglect to go to the polls. The mover contended that his bill did not interfere with the voters' liberty of conscience as he might attend at the polls and spoil his ballot if he did not wish to mark it for anyone. He explained that the one great point gained by such an act as this would be the relief of candidates from the necessity of conveying voters to the polls, which now gave rise to a great deal of corruption. The bill was read a second time.

Mr. Davin gives notice of a bill to amend the act respecting the representation of the Northwest Territories. He wants the clause that voters will take an oath they are resident there twelve months amended so as to read "domiciled."

Manitoba and Northwest members and Senators waited on the Minister of Agriculture and complained of the reduction in the amount appropriated this year for

immigration purposes. While satisfied with the work accomplished last season, the deputation thought an increased effort should be made this year to direct immigration to Manitoba and the Northwest. Carling intimated that the matter would receive the favorable consideration of his colleagues.

The mounted police department has been transferred from the control of the minister of railways to the president of the privy council, Hon. Mr. Abbott. Sir John, as premier, always kept the direction of the department under his own control, and by order in council transferred the force from one department to another whenever he changed his portfolio.

Montreal, June 18.—At a meeting of the C. P. B. board held to-day, the resignation of the Hon. J. J. C. Abbott as a director of the company was accepted, and Mr. T. G. Shaughnessy elected in his place. Mr. Shaughnessy was also appointed vice-president.

Hamilton, June 18.—S. Thom & Co., dry goods, have called a meeting of creditors. They owe about \$30,000.

Chicago, June 18.—Owing to the lack of capital the Chicago Wire Goods Company has failed. Liabilities \$100,000. It is said the assets will reach a similar amount.

London, June 17.—The royal labor commission to-day held its first public meeting at Westminster hall. The committee is investigating the tea industry in London, and India docks, and is examining a number of laborers employed at these docks.

London, June 14.—Mr. Parnell has been ordered to pay \$3,500 as costs in the O'Shea divorce suit.

Montreal, June 18.—The steamship

Sarmatian arrived at Quebec this afternoon.

Vienna, June 18.—The special audience granted by the Emperor Francis Joseph to Ferdinand of Bulgaria is considered as implying Austria's recognition of the legal status of Bulgaria.

There is but little demand for yachts in England just now, and an unprecedentedly large number are in the market. A boat which cost £4,500 to build was sold lately for only £640.

Hartford, Conn., June 18.—It is reported that a tornado at Avon, in the valley of the Farmington River, yesterday did great damage and that three persons were killed.

Paris, June 18.—The prisoners Turpin, Tripen, Faezeler and Feuvrier were sentenced by the Tribunal of the Department of the Seine to four years' imprisonment, each, for their connection with the sale of the secret of the manufacture of melinite, the new French explosive, to the Armstrong Gun Manufacturing company. In addition to this, the prisoners were fined, respectively, \$400, \$600, \$200 and \$40. The four men are also deprived of their civil rights for five, ten, five and two years respectively.

London, June 18.—A dispatch from Vienna says that Prince Alexander, of Battenburg, now known as Count Hartenau, is seriously ill at Graz where he is stationed. The count who was formerly prince of Bulgaria and conducted a brilliant campaign against Serbia, is now an officer in the Austrian army.

The resuscitated P. A. C. Band, under the able leadership of Mr. Street, are making a big effort towards furnishing our townspeople and visitors with good music on Dominion Day. The boys are practising hard. Stick to it.

A father can give his son no better present than a year's reading of the *Scientific American*. Its contents will lead the young mind in the path of thought, and if he reads there a while, he'll forget frivolities and be of some account, and if he has an inventive or mechanical turn of mind, this paper will afford him more entertainment, as well as useful information, than he can obtain elsewhere. Copies of this paper may be seen at this office and subscriptions received. Price, \$3 a year, weekly.

A petition was in circulation this week asking the Town Council to grant a sufficient sum of money to secure the tablets to be erected in memory of our brave volunteers who fell at Duck Lake in '85. These tablets have been completed for some time, and are at Montreal awaiting the necessary orders for shipment to Prince Albert. We trust our Town Councilors will not hesitate in the matter, as their granting the amount necessary is the fairest way out of the difficulty.

The social given by the ladies of the Presbyterian church on Friday evening of last week was well attended although during the day the prospects of a pleasant evening were few. The programme consisted of songs by a number of those resident here and also by Mr. Stewart, who is a well known singer in Montreal. Altogether a most enjoyable evening was spent, and the ladies are to be congratulated on the success which attended their entertainment.

Capt. Deacon of the tug Josie, a few days ago, on a trial trip from the forks of the rivers to the landing at Moore & Macdonald's mill, made the run in four hours and a half. The captain is thoroughly satisfied with the working of his boat, and believes he can do even better than this.

ST. ANN'S CONVENT.

On last Wednesday evening the spacious Hall of the Convent, Prince Albert, was filled to its utmost seating capacity by the friends of the pupils to witness the closing exercises and distribution of prizes and medals. His Honor Lieutenant-Governor Royal had kindly consented to be present and preside on this occasion, but he was obliged to go to Kingston to assist at the last sad rites to the remains of the late lamented Premier, and was unable to return in time. In his absence the Honourable Mr. Justice McGuire was requested to take the chair, having seated on his right Rev. Father Fourmond and Moulins and on his left Ven. Archdeacon McKay.

The performances of the pupils consisted in a pretty little Drama, "Robert of Sicily" in which the principal parts were taken by the Misses M. McDonald, McKay, Pritchard, McKinnon, Finlayson, and Scott, and "Un Patite Comedie en trois Actes," entitled "Un Quartier Tranquille" in which the young ladies already named and the Misses Mary McKay, J. McDonald and Taylor filled the principal roles. In this latter the dialogue throughout was carried on in French, and the spirited elocution and graceful delivery of the young ladies evinced a familiarity with the Gallic tongue which might well have startled any anti-dual-linguist present. These performances were cleverly executed and well sustained for amateurs. Interspersed amid the various Acts were well executed piano duets and solos, and choruses, concluding with a Fairy Scene by the junior pupils. The prizes and gold medals were then distributed by Mr. Justice McGuire assisted by His Worship Mayor Johnson. The chairman in a few brief remarks took occasion on behalf of the audience, to thank the pupils for the very excellent entertainment which they had afforded, and to congratulate them on the industry and talent exhibited. He also congratulated the Rev. Mothers upon the success which had evidently attended their efforts to instruct and train the pupils committed to their charge. The proceedings were brought to a close by the singing of the national anthem.
